Common Landscaped Area

- There will be a feature landscaped entrance as well as a number of landscaped amenity areas to be maintained by a management company and paid for by way of an annual management charge

Building Warranty

- Each home will be issued with a NHBC 10 year warranty certificate

We take our environmental responsibilities seriously - improved insulation and robust windows/doors, in line with new building regulations helps to keep draughts out and retains warmth. Modern energy efficient heating systems reduce the amount of energy used to heat our homes, reducing carbon emissions and ensuring lower heating bills.

We use sustainable and recycled materials where possible, and fit dual flush toilets and energy saving lightbulbs to help you commit to a more eco-friendly way of life.
