A delightful 3 bedroom detached bungalow situated in a popular residential area on the outskirts of Coleraine and within walking distance of Castleroe Primary School. In good enough order throughout, the property will require some modernisation but the bright and spacious accommodation should appeal to a wide range of purchasers and the bungalow is further complimented by the generous sized site and mature garden area. This is a great home with a lot of potential on a generously proportioned site so therefore would highly recommend early internal appraisal.

From the Strand Road roundabout go onto the Castleroe Road. No 118a will be the last property on your left hand side just before Castleroe Primary School.
