A five bedroom mid terrace house in excellent order throughout with bright and spacious rooms right through. Constructed circa 2004 by well known builders O'Kane & Devine Ltd, the property also benefits from being currently empty and is available for immediate occupation. Having been well maintained the property is in incredibly good condition. The selling agent strongly recommends early internal inspection to avoid disappointment. Please note, in the agent's opinion, this area is transitioning from primarily student rentals to a neighbourhood of full-time residences, offering significantly more affordable homes compared to other locations.

Approaching Portstewart on the Coleraine Road turn right after Tesco onto the Agherton Road. Take your third left onto Lissadell Avenue and then your ninth left into Millstone Avenue. Take your second right into Millstone Park and No. 10 will be situated on your left hand side just before the green.
