

RAILWAY STUDIOS

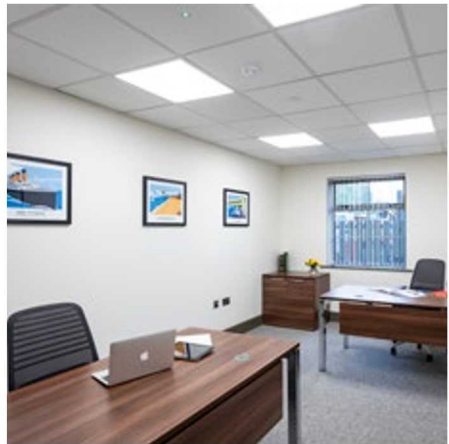

Serviced Offices - Lisburn

Our private offices are suitable for one, two or three people and include the use of communal spaces and conference rooms. We take care of everything from the parking to the technology, so you can spend more time on the things that really matter.

GET CONNECTED to Lisburn

With free parking, direct access to the train station and a short walk to Lisburn City Centre, Railway Studios is the perfect base for your business.

GET CONNECTED to Technology

Our state of the art offices are designed to make your life as easy as possible. Each private office is fully networked with Wi-Fi, individual climate control, energy saving LED lights and a visitor intercom linked directly to the front reception. The communal conference rooms can be booked through an online booking system and include guest Wi-Fi and a 65-inch TV with a wireless connection.
