

The floor plan illustrates the layout of the 10th floor, featuring a central core and four main wings (A, B, C, D). The central core includes a Fire Fighting LPT Lobby, a Lobby Lobby, and a central staircase. The wings are labeled SUITE A Lobby, SUITE B Lobby, SUITE C Lobby, and SUITE D Lobby. The perimeter of the floor is designated as OPEN PLAN OFFICE SPACE. The plan also shows a large circular area at the bottom, likely a central atrium or lobby. The layout is symmetrical, with a central vertical axis and a horizontal axis. The plan includes various rooms, corridors, and service areas, all labeled with their respective names. The overall design is functional and efficient, providing a clear overview of the floor's layout and structure.
