EXCITING SEASONAL OPPORTUNITY

Holiday Pop-Up-Shop: How and Why to Open One This Season

With this year's holiday shopping season quickly approaching, you may be thinking about how to engage shoppers and increase sales for your retail business during this time of year.

But considering that 80% of global consumers find that social interaction is better in-store, and 70% prefer in-store customer service. Physical retail in the form of a holiday pop-up shop is a perfect low-cost holiday sales and marketing strategy to put to the test.

We have the ideal venue for your **POP UP SHOP** whether for **RETAILING FASHION, GIFTS, OR EVEN A HAIR & BEAUTY SALON** at the busiest time of year when demand is high. Your imagination is our guide. All available for a short term let at introductory specially discounted rates (can be extended if desired).
