

Energy performance certificate (EPC)

17 Meadowside
Glenavy
CRUMLIN
BT29 4FE

Energy rating

E

Valid until:

15 May 2033

Certificate number:

2537-1725-9200-0646-6296

Property type

Semi-detached house

Total floor area

82 square metres

Energy rating and score

This property’s current energy rating is E. It has the potential to be D.

[See how to improve this property’s energy efficiency.](#)

Score	Energy rating	Current	Potential
92+	A		
81-91	B		
69-80	C		
55-68	D		67 D
39-54	E	54 E	
21-38	F		
1-20	G		

The graph shows this property’s current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in Northern Ireland:

the average energy rating is D
the average energy score is 60

1/4

Breakdown of property's energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

Feature	Description	Rating
Wall	Cavity wall, as built, insulated (assumed)	Good
Roof	Pitched, 100 mm loft insulation	Average
Window	Mostly double glazing	Average
Main heating	Boiler and radiators, oil	Average
Main heating control	Programmer, no room thermostat	Very poor
Hot water	From main system, no cylinder thermostat	Poor
Lighting	Low energy lighting in 78% of fixed outlets	Very good
Floor	Solid, limited insulation (assumed)	N/A
Secondary heating	Room heaters, dual fuel (mineral and wood)	N/A

Primary energy use

The primary energy use for this property per year is 254 kilowatt hours per square metre (kWh/m²).

How this affects your energy bills

An average household would need to spend **£1,778 per year on heating, hot water and lighting** in this property. These costs usually make up the majority of your energy bills.

You could **save £483 per year** if you complete the suggested steps for improving this property's energy rating.

This is **based on average costs in 2023** when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

Impact on the environment

This property's current environmental impact rating is E. It has the potential to be D.

Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO₂) they produce each year.

This property produces 5.3 tonnes of CO₂

This property's potential production 3.8 tonnes of CO₂

You could improve this property's CO₂ emissions by making the suggested changes. This will help to protect the environment.

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

Carbon emissions

An average household produces 6 tonnes of CO₂

Changes you could make

Step	Typical installation cost	Typical yearly saving
1. Increase loft insulation to 270 mm	£100 - £350	£60
2. Party wall insulation	£300 - £600	£74
3. Increase hot water cylinder insulation	£15 - £30	£59
4. Hot water cylinder thermostat	£200 - £400	£41
5. Heating controls (room thermostat and TRVs)	£350 - £450	£211
6. Heat recovery system for mixer showers	£585 - £725	£38
7. Floor insulation (solid floor)	£4,000 - £6,000	£39
8. Solar water heating	£4,000 - £6,000	£91
9. Solar photovoltaic panels	£3,500 - £5,500	£633

Help paying for energy improvements

You might be able to get a grant from the [Boiler Upgrade Scheme \(https://www.gov.uk/apply-boiler-upgrade-scheme\)](https://www.gov.uk/apply-boiler-upgrade-scheme). This will help you buy a more efficient, low carbon heating system for this property.

Who to contact about this certificate

Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

Assessor's name	Lisa Cairns
Telephone	07933066336
Email	lisacairns89@hotmail.co.uk

Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation scheme	Elmhurst Energy Systems Ltd
Assessor's ID	EES/026285
Telephone	01455 883 250
Email	enquiries@elmhurstenergy.co.uk

About this assessment

Assessor's declaration	No related party
Date of assessment	16 May 2023
Date of certificate	16 May 2023
Type of assessment	RdSAP
