# LOCATION & DESCRIPTION

This prominent retail unit is situated along the middle stretch of Railway Road just after the Circular Road turning and is convenient to both the larger town centre and the bus and rail terminals.

The unit should appeal to both first time business outlets or growing established business users alike.

The location offers good profile and a high level of traffic flow at all times of the business day.

We would strongly recommend viewing this affordable unit. Some works of refurbishment have been started, leaving a clean slate for tenants to fit to suit their own requirements.
