

Built circa 15 years ago, this delightful detached country home occupies a notably private and generously proportioned site surrounded by open countryside. Set back from the main road, the property is approached by a sweeping laneway and the site itself extends to approximately 0.75 acres. Extending to circa 3,700 sq ft, the property offers a wealth of deceptively spacious and well-appointed accommodation complemented by a versatile layout that could be easily adapted to suit the occupier's requirements. The current layout is configured as three reception rooms, an impressive open plan kitchen - dining, utility, cloaks WC, five bedrooms, two dressing rooms and main bathroom. Upon entering the property there is an immediate sense of grandeur; A double height hallway features a bespoke, oak central staircase leads to the first floor with gallery landing. The property has been tastefully decorated throughout and exudes a warmth not usually associated with larger more modern homes. Externally, a spacious pebbled driveway offers parking for several vehicles and leads to a detached matching garage, enveloped by gardens in lawn benefitting from a sunny south aspect to the rear.
