

The Fort is a collection of buildings which has grown and adapted during more than a thousand years of history in the beautiful landscape of County Down. Located only half an hour from Belfast, this tranquil setting offers any tenant an ideal location to get away from city bustle yet stay within easy reach.

The Loft was built in 1760 and forms part of the original farm buildings, restored by the present owners and retaining several original features. Accommodation consists of a double bedroom and twin bedroom, large living room with dining area and wood burning stove, country style fitted kitchen and bathroom with white suite.

Externally there is ample parking and access to the grounds and surrounding countryside. We strongly recommend early internal viewing of The Loft as a property as unique and beautiful as this rarely presents itself on the rental market.
