

This attractive detached period residence is located in one of Bangor's most popular residential areas and retains much of the original charm and character associated with a property of this era. The home is further enhanced by its outstanding elevated position boasting superb views across Ward Park and park lands.

Internally the property is in need of modernisation but enjoys well proportioned accommodation which would be ideally suited to the young family. Externally the gardens are private to the rear and also provide driveway parking.

With leading Primary and Grammar Schools close to hand and located within walking distance of Bangor Golf Club, Marina and bustling town centre makes this an ideal opportunity for the growing family to acquire a period home with great convenience. Early inspection is highly recommended.
