

Positioned on the scenic Carnbane Road, this site enjoys breathtaking countryside views extending towards Belfast. While offering a peaceful rural retreat, it remains well-connected with easy access to Sprucefield, Hillsborough, Belfast, and the motorway network.

Planning permission has been granted for a spacious 3,600 sq. ft. detached residence, including a detached garage. The site is already partially developed, with stone hardcore groundwork completed, foundations in place, and the garage fully constructed.

With much of the groundwork already completed, this presents a fantastic opportunity to build a bespoke home in a highly desirable setting.

Just a short drive away, Royal Hillsborough is a charming and historic town, home to the beautiful Hillsborough Castle and Forest. Renowned for its character and elegance, it offers a perfect balance of tranquility and convenience, with seamless access to Belfast, Lisburn, and the South.

With excellent road and bus links, commuting, school runs, and shopping trips are effortless—making this an ideal location to create the home you've always envisioned.
