ROAD, DONAGHADEE,**

OFFERS OVER £625,000

'Crofton'

This fantastic property is located on the exclusive Warren Road in Donaghadee and offers any potential buyer space, sea views and adaptable accommodation throughout.

Circa 3900 sq ft and a well known house on the road, "Crofton" will appeal to anyone hoping to live in a character property with uninterrupted sea views, within walking distance to Donaghadee.

This substantial family home offers both the features of a traditional home with a contemporary extension and open plan living.

On entering the house, in the front section, there is an impressive entrance hallway, large drawing room with feature fireplace and beautiful panoramic views, living/dining room with fireplace and to the rear of the property there is an extended living/ kitchen through to dining area and sunroom, which runs front to back with views of the sea and the lovely terrace and gardens and benefits from a wood burning stove.

In addition there is an office/playroom, guest wc, built in storage and utility room on the ground floor.

On the 1st and 2nd floors there are five bedrooms plus a study or sixth bedroom. The master bedroom has a dressing room leading to large ensuite bathroom and there is a bathroom and shower room servicing the other four bedrooms.

Externally, to the rear there is an area in lawn with a paved entertaining area and detached garage. To the front there is a further area in lawn, viewing terrace and a plethora of mature plants, shrubs and trees. The front of the property has a large driveway with parking for multiple vehicles and enjoys uninterrupted sea views.

We recommend viewing at your earliest convenience.

Genius Hub Zoned System

Genius Hub allows you to divide your space into zones and control the heating individually for each zone. This means you can optimise temperature settings based on occupancy, usage patterns, and specific comfort requirements for different areas. By heating only the necessary zones and avoiding overheating or excessive energy consumption, you can significantly reduce heating costs.
