This stunning 4500 sqft, architect designed home is entered via double electric gates, the driveway guides you up the landscaped grounds to this beautiful home. You will note the attention to detail externally with granite steps, sills and impressive stonework.

The internal entrance to the home is equally as impressive, with a grand reception hallway with wood burning stove & gallery landing and a striking walnut staircase. You will note the Italian porcelain tiled flooring with underfloor heating continues throughout the whole of the property.

Continuing with the ground floor there are two formal reception rooms, a truly magnificent, high specification German fitted kitchen with a range of Siemens integrated appliances, soft close units and an 11ft central island with curved granite worktop and wine cooler. This room opens onto the south facing sunroom, which has a spectacular fireplace feature point with wood burning stove. As we head down the rear hallway, there is a separate utility room, contemporary shower room with shower, wc and wash hand basin, a further separate cloakroom with WC, access to the double garage and a staircase to the large home office / cinema / gym or bedroom 5. This room also has its own WC and wash hand basin.

As we head back to the main entrance and head upstairs, you will note the impressive gallery landing leading to the master suite. The master suite benefits from a modern en suite shower room and separate walk in robe. Bedroom number 2 also has a contemporary en suite shower room. There are two further equally proportioned double bedrooms on this floor along with a beautifully designed family bathroom.

Other benefits to this home include "smart home technology" with central server, triple glazing throughout, a large double garage with twin electric doors with solar panels attached and a Beam vacuum and ventilation system
