

111 Carclinty Road, Ballymena, BT44 9HW

Offers in excess of £480,000

Exceptional smallholding.

This contemporary six bedroom detached house is surrounded on all sides by its own agricultural land, giving the property an exceptional degree of privacy and direct control over the lands adjacent to the house. Built to a high standard by its current owners and extending to circa 2,880 sq ft, the home offers modern spacious, living accommodation in pleasant rural surroundings.

In addition to the agricultural land surrounding the home (circa 6.8 acres), there is an option to purchase an additional 28 acres of adjacent land.

Personal inspection is highly recommended in order to fully appreciate the quality of this home and viewing is strictly by prior appointment with the agents.

Outside

The grounds of the property extend to approximately half an acre, enclosed by mature laurel hedging with lawns to the front, side and rear, and paved patio areas to the southern aspect. A tarmac driveway encircles the property from the gated entrance, providing ample space for car parking. Access to the property is via a laneway which is owned in its entirety by the property, with right of way access granted to the other dwellings and land accessed via the laneway.

The property benefits from a Fibrus ultra fast connection.

The land sold as part of the holding comprises of circa 6.8 acres of good quality, which wraps around the property, providing an excellent degree of peace and privacy. This land is outlined on the attached maps in red.

In addition to this, circa 28 acres of agricultural land adjacent to the holding can be purchased with the small holding (offers around £280,000). This land is outlined on the attached maps in blue.

Please note, maps are for illustration purposes only.

The property benefits from the installation of a EV car charging point. Solar panels have also been installed on the roof of the property, with the property benefiting from the power generated (please note the solar panels are there by way of a lease to the solar panel company and do not belong to the property).

Detached Garage 23'3" x 16'4" (7.1 x 5)

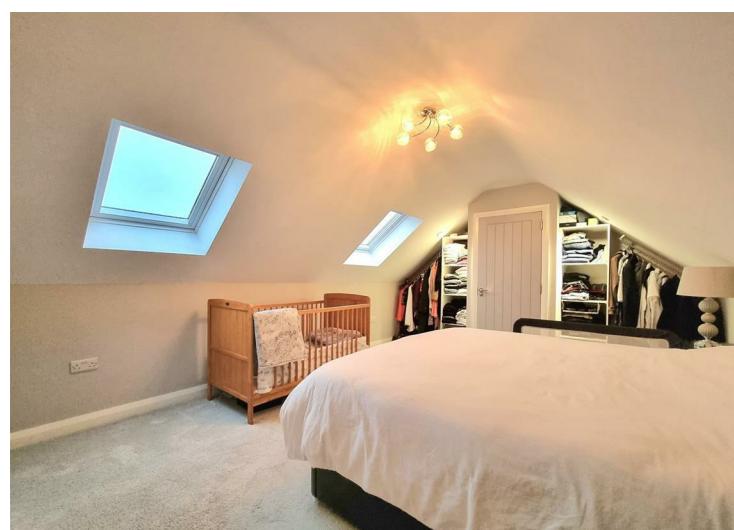

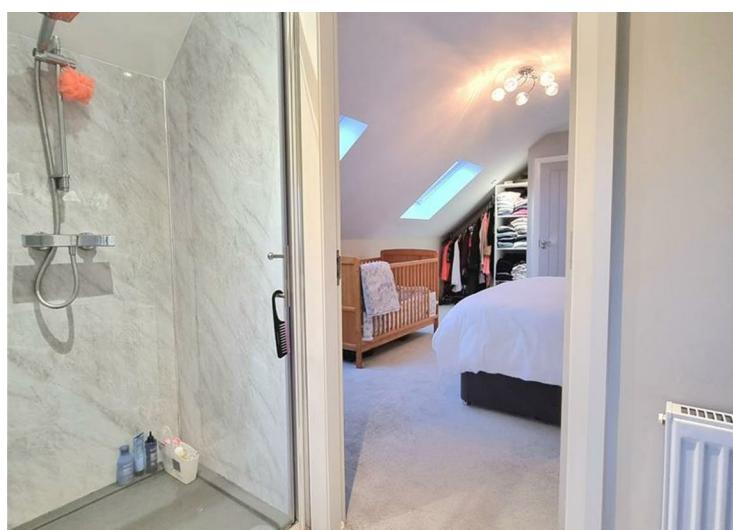

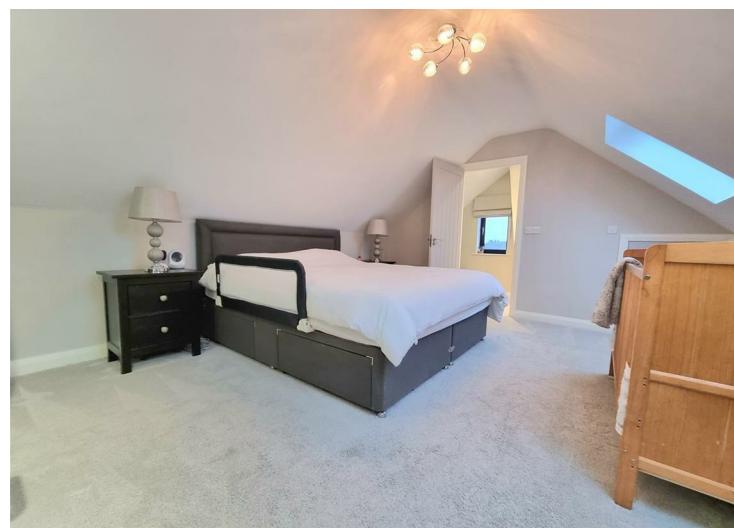

A covered lean to has been erected to the side of the garage, providing a sheltered BBQ area, with an additional lean to erected to the rear of the garage for use as a log store.

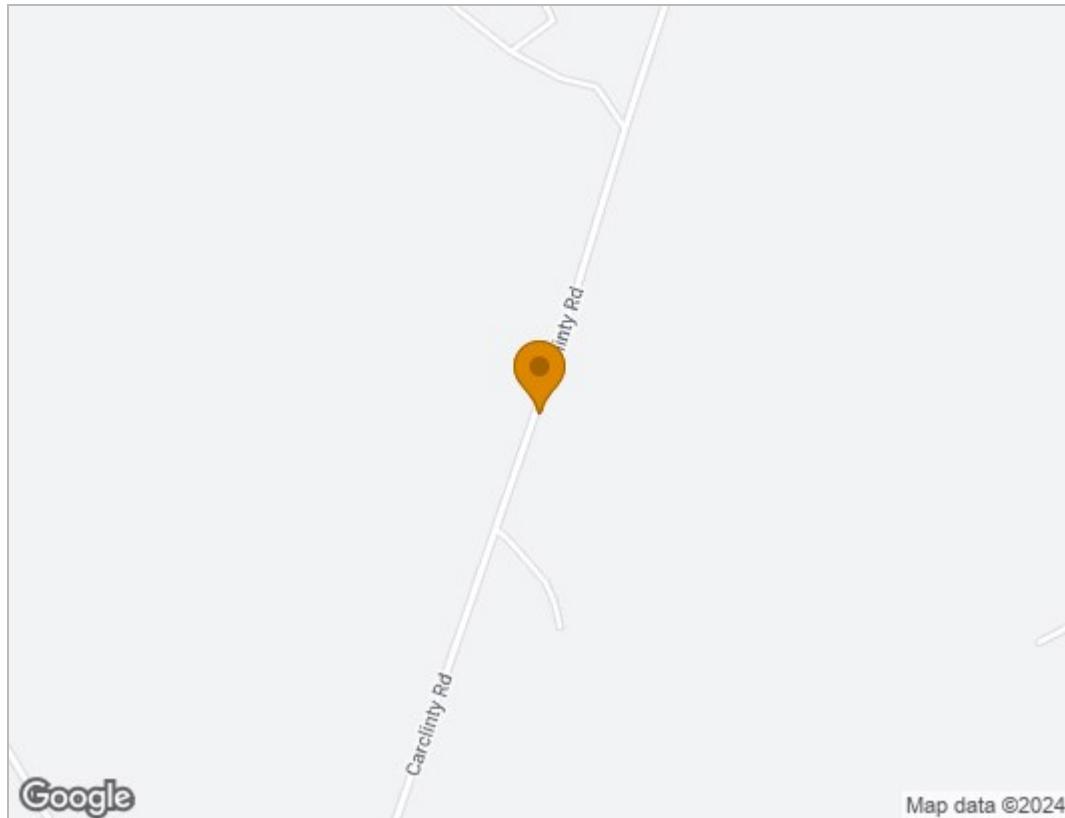

Automatic roller door.

Pedestrian door to the side.

Lights and power.

Energy Efficiency Graph
